Is this the only day of the year you come to church? Please, don't apologize. You are welcome here. In fact, we are thrilled you are here!

If you are only going to go to church a couple times a year, then this is a really good day to pick. In fact, it's a great day. The lobby looks good and smells good. The decorations are festive. The songs are familiar. The people are friendly, the coffee is tasty, and the message will be well worth your time. We hope you feel comfortable.

Maybe you are here because Grandma told you to be here. Awesome, we love Grandma!

Maybe you are back from college. That's really good. We're proud of you and what you are becoming.

Maybe you are trying church with your kids! Awesome, we love kids - and not just the idea of kids. We love real kids - kids that make noise, kids that get into trouble, kids that want to participate, and kids that just want to color. We know that raising kids is one of the hardest things we all will ever try to do. So, we are in this together.

Maybe this is the first time you came back to church since the loss of someone very special to you. We are very sorry for that. But we are glad that you are here. We hope that you find healing, and maybe some friends, and some peace in this time of mourning.

Maybe this Christmas you had a strange feeling that Christmas doesn't come from a store. We hope you encounter something real with us today during the service. We pray that you feel connected to God through the songs, the prayers, the scriptures, and the message.

Maybe you are searching for a church home - a new church family. Awesome, we hope that you come back. We'd love for you to become part of our family. Regardless, may your search be blessed wherever it leads you. And if you want to come back next weekend, we will be here!

And if you have any questions or if there's anything we can do for you or your family, please let us know. You can reach me personally by email, text or phone. My mobile number is 484-757-9119 and my email address is [joshrobertsclc@gmail.com](mailto:joshrobertsclc@gmail.com). (And just in case my voicemail is full by lots of call, you can also reach any of our staff at 610-869-2140 and [clcfamily125@gmail.com](mailto:clcfamily125@gmail.com)).

I hope you have a great service!  
Josh Roberts
