Purpose of Miracles

Miracles lead not simply to cognitive belief, but to *worship*, to awe and wonder. Jesus's miracles in particular were never magic tricks, designed only to impress and coerce. You never see Him say something like: 'See that tree over there? Watch me make it burst into flames!' Instead, He used miraculous power to heal the sick, feed the hungry, and raise the dead.

We modern people think of miracles as the suspension of the natural order, but Jesus meant them to be the restoration of the natural order. The Bible tells us that God did not originally make the world to have disease, hunger, and death in it. Jesus has come to redeem where it is wrong and heal the world where it is broken. - Tim Keller

Water to Wine: Jesus' First Miracle

John 2:1 On the third day a wedding took place at Cana in Galilee. Jesus' mother was there, 2 and Jesus and his disciples had also been invited to the wedding. 3 When the wine was gone, Jesus' mother said to him, "They have no more wine." 4 "Woman, why do you involve me?" Jesus replied. "My hour has not yet come." 5 His mother said to the servants, "Do whatever he tells you." 6 Nearby stood six stone water jars, the kind used by the Jews for ceremonial washing, each holding from twenty to thirty gallons. 7 Jesus said to the servants, "Fill the jars with water"; so they filled them to the brim.

8 Then he told them, "Now draw some out and take it to the master of the banquet." They did so, 9 and the master of the banquet tasted the water that had been turned into wine. He did not realize where it had come from, though the servants who had drawn the water knew. Then he called the bridegroom aside 10 and said, "Everyone brings out the choice wine first and then the cheaper wine after the guests have had too much to drink; but you have saved the best till now." 11 What Jesus did here in Cana of Galilee was the first of the signs through which he revealed his glory; and his disciples believed in him.

**Who?**

As a result of this miracle, what do we learn about WHO Jesus is?

What?

What do we learn about WHAT Jesus came to do?

Why?

What do we learn about WHY it matters to us?

How?

What do we learn about HOW we should respond?

The Bible Story: Jesus turned water into wine.

Bible Passage: John 2:1-12

The Main Point: Jesus' first miracle was to turn water into wine.

The Big Picture Question: Why did Jesus perform miracles? Jesus performed miracles to glorify God and to prove He is God the Son.

February Memory Verse: John 20:31: But these are written that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name.

Family Discussion Starters:

- Why was Jesus able to perform miracles?
- What did Jesus' miracles prove about who He is?
- Do you think everyone who saw Jesus' miracles believed in Him? (See Luke 16:31)
- Help your kids make grape juice by crushing or blending seedless grapes and pouring it through a coffee filter to remove the pulp. Review the story with your kids as you work.
