

CLC EXISTS TO HELP PEOPLE

FIND COMMUNITY & FOLLOW JESUS

CLC'S CORE VALUES [& Next Steps]

Visit www.clcfamily.church/nextsteps to learn more.

Gospel Oriented [Discover] – We discover and fix our eyes on the Good News of Jesus as revealed in scripture as it is the loving lens by which we see all things and all people, and it functions as the source of our culture, our salvation, and our hope.

Transformative Relationships [Connect] - Through our connectedness, and our intentional intergenerational relationships, we seek to grow more into the likeness of Jesus.

Restorative Community [Grow] - We are an imperfect community leaning into the uncomfortable as we seek to co-participate with Jesus in experiencing and bringing restoration to all that is broken (including us).

Mission Driven [Go] - Together we are a living and active body of people participating in bringing the kingdom of heaven to all peoples and all communities with our time, our talents, our gifts, our service, our invitations, our self-giving acts of love, and through unreasonable hospitality.
